Interior Designer, NCIDQ | hayleyperrault.com | hayley.perrault@gmail.com | (614) 961-0858

PROFESSIONAL EXPERIENCE

BHDP Architecture | Columbus, OH

Interior Designer III | April 2023 - Present

- Lead design and relationships with key clients in the higher education market with both public and private institutions including Galen College of Nursing, Vanderbilt University, and Otterbein University.
- Collaboratively managed and mentored 2-5 team members across disciplines including architecture, interior design, and experiential graphic design providing design direction and managing deliverables for multiple active projects with aggressive timelines and overlapping deadlines.
- Facilitated client strategy sessions as a trusted expert to determine success criteria and refine constantly evolving standards to ensure high quality project and business outcomes.
- Fostered strong and reliable relationships with existing clients as well as developed relationships with new clients leading to additional project work and long term partnerships.

MA Design | Columbus, OH

Interior Designer, Sustainability Specialist | April 2017 - October 2022

- Generated programs, fit plans, creative briefs, design presentations and construction drawings for projects in multiple market sectors including Workplace, Hospitality, Senior Living, Multi-Family Residential, Civic, and Religious in spaces ranging from 1000 SF to 118,000 SF.
- Served as a leader of the sustainability committee and developed the framework of the Sustainability Services including expanding existing offerings and evolving internal processes. Championed sustainability by scheduling relevant trainings, enrolling the firm as a founding member of the Material Bank Carbon Impact Program, implementing mindful MATERIALS in the design library, and developing company processes around material use and waste reduction.
- Communicated design intent and provided specifications to MEP and structural engineers and furniture vendors to create fully coordinated and integrated spaces.

Max Sixt Studio | Chicago, IL

Interior Design Assistant | October 2016 - April 2017

- Created digital drawings, selected finishes and furnishings for high end residential projects.
- Produced millwork drawings and 3D models to communicate design to clients and coordinate with craftsman and trades people virtually and on site.

Ohio University Design and Construction | Athens, OH

Student Intern | 2015-2016 Academic year
